Community Group Managers

Are you interested in becoming a Smartsheet Community group manager? Group managers help lead conversations and drive engagement within the Smartsheet Community by sharing content and communicating with our customers.

Start here to see if you qualify!

You may be a fit for a Smartsheet Community group manager if you're:

- Currently an active member within the Smartsheet Community
- Able to make a minimum six-month commitment
- Excited to share relevant content (e.g. Smartsheet blog posts, whitepapers and reports, best practices, etc.) in your group
- Available to host or speak at community virtual events
- Interested in partnering with our Smartsheet Community moderator to regularly brainstorm new ideas that add more value to members

To reward your contributions, you'll receive 5,000 points within our Community and a Community group manager badge, which will be displayed on your profile.

Still interested and ready to get involved?

Email our team at communitygroupmanager@smartsheet.com and tell us why you'd be a good fit as a Smartsheet Community group manager, and which group(s) you'd be interested in managing.
