

U.S. Federal agencies rapidly build and deploy solutions with Smartsheet

“Smartsheet Gov can really be used to accelerate innovation in an agency because it allows people to experiment in a safe way that meets your compliance and your audit requirements, but doesn't take years to go from their idea to trying it out.”

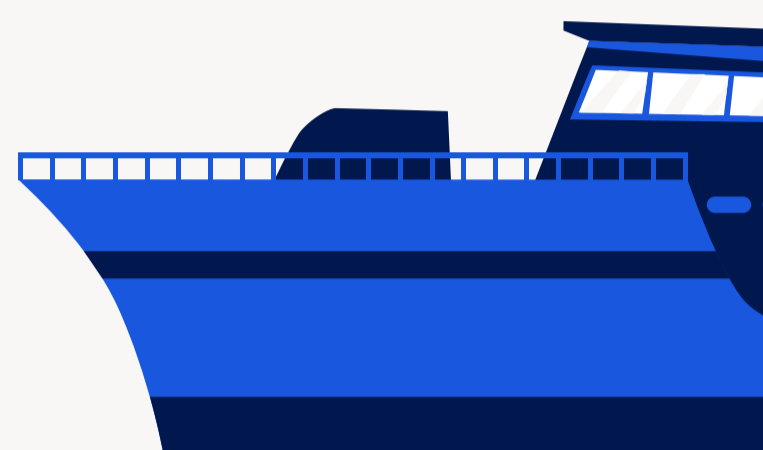

Marina Nitze,
former Chief Technology Officer,
U.S. Department of Veterans Affairs

National Oceanic and Atmospheric Administration (NOAA)

The NOAA Office of the Chief Administrative Officer (OCAO) relies on Smartsheet Gov to simplify tracking of property acquisitions, contracts, and budgets.

3 weeks per month
saved by eliminating manual processes

U.S. General Services Administration (GSA)

GSA unlocks better visualization for reporting real-time status to leadership, all the way up to the White House, using Smartsheet.

USD 71,500
Saved per year

>400 sites
field safety audits managed with Control Center

U.S. Department of Agriculture (USDA)

USDA simplified reporting on management across their grants, cooperative agreements, and contracts easily using Smartsheet.

8 hours/person
saved each week

U.S. Department of Defense

Using Smartsheet, a DoD division drastically improved communications between air support and ground troops by tracking assets through one centralized source.

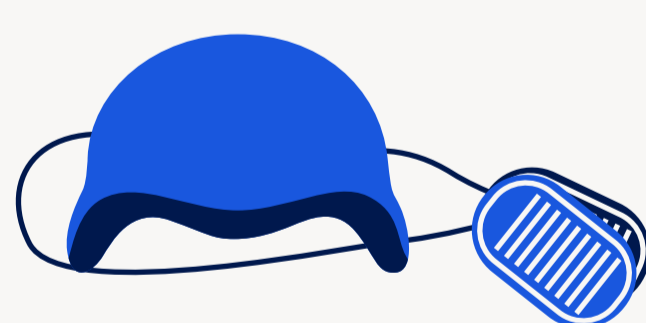

More federal agencies that trust Smartsheet:

U.S. Department of Veterans Affairs

“Smartsheet Gov can really help the federal government because shared information is power.”

Kathy Condon,
Executive Director of the Army National Cemeteries (former)

U.S. Army

“On a daily basis, an hourly basis, even by the minute, Smartsheet gives executives the ability to see their organization in ways that they've never been able to see before.”

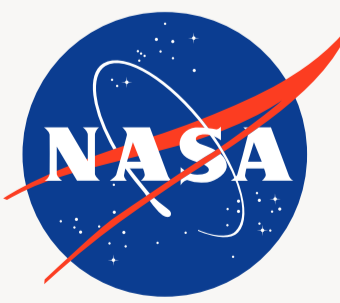

General Peter Chiarelli,
Vice Chief of Staff, U.S. Army

U.S. Air Force

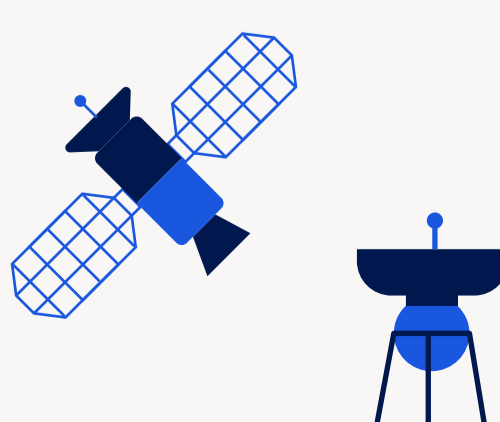

Federal Aviation Administration (FAA)

NASA

U.S. Department of Health and Human Services (HHS)
